

**14th April 2021**

Dear Friends and Golfers,

**Singapore Golf Association (SGA) Fundraising Golf Day 2021**

We would like to invite you to join us for our SGA Fundraising Golf Day on **26th July 2021 at Keppel Club**.

We are organising the golf day to raise funds through the One Team Singapore Fund (OTSF) for our High-Performance golf programmes and initiatives to develop Singapore golf. The Guest-of-Honour for the event is Dr Ng Eng Hen, Minister for Defence.

OTSF was created specifically to enhance the High-Performance Sports System for our national athletes. The government will match dollar-for-dollar for contributions across ALL sports. Donors, both corporates and individuals are entitled to 250% tax deduction. We seek our donors to be part of this national movement to support our national golfers. Together, we will celebrate their achievements.

Since the initiation of our High-Performance Program (HPP), we have made history in winning the SEA Games Team Gold Medal in 2017 and Individual Gold Medal in 2019. Adding on to that, we have seen continued success in our team's performance in regional and international tournaments. Our HPP players have been increasingly contending in all tournaments participated and have won numerous junior and amateur competitions. Our Rookie Professional Program supports our elite national players at the beginning of their professional career financially as well as providing them access to our High-Performance Training Centre which includes a driving range, short game practice facilities and an indoor training simulator equipped with state-of-art technology. The activities and work we do strive to support our golfers to chase their Olympic dreams and achieve personal excellence both on and off the course.

The One Team Singapore Fund (OTSF) has been created specifically for this, for all supporters of Team Singapore to contribute to enhance the High-Performance Sport system for our athletes, in this case, our National Golfers.
